A meeting under the Chairmanship of the Prime Minister was convened on 18th April, 2016 to review the activities of all the Youth Organizations. After the reviewing of the schemes it was decided that all the Youth Organizations must conduct the following activities all together so that the impact of these activities are clearly visible.

1. Swachhta efforts by the NSS Organization should be more focused. NSS Volunteers should take up the **cleaning of Schools/ Colleges/Institutions, Hospitals and public statues** etc. Efforts also needs to be made to create awareness about the Open Defecation and all the adopted villages must be made **Open Defecation Free villages/slums by 12th January 2017.**
2. NSS must undertake a massive campaign to create awareness about **water conservation/recharge** in the community. People must be made **aware about the ways and means of saving water.**
3. During the month of July-September 2016 (rainy season) a **massive programme for plantation** may be taken up by all the NSS Units.

All the NSS Units are requested to start working on the above mentioned activities along with other activities with immediate effect. Each months report should be submitted in the university NSS web-portal between 21st to 25th of each month.
